

Chapter 9.60

AIR POLLUTION CONTROL

Sections:

9.60.010 Open burning—Restrictions.

9.60.010 Open burning—Restrictions.

A. Open Burning Restrictions. No person shall burn any trash, garbage or other wastes, nor shall they conduct any salvage operations, in any open fire except in conformity with this chapter.

B. Permissible Burning—Without Permit. When not prohibited by other laws or by other officials having jurisdiction, and provided that a public nuisance is not created, the following types of open burning are permissible without the necessity of securing a permit:

1. In devices for the primary purpose of preparing food, such as outdoor grills and fireplaces;

2. Campfires and fires used solely for recreational purposes, where such fires are under the control of a responsible adult. Anyone planning a fire larger than can be safely confined to a fire ring no larger than three feet in diameter will be required to obtain a special permit. Bonfires, fires built to burn Christmas trees, rally fires and similar fires are prohibited;

3. Indoor fireplaces;

4. Properly operated industrial flares for combustion of flammable gases; or

5. Pursuant to a permit issued by the health department or the city's fire department.
